**VIDEO TOUR & TRAINING <http://www.sumotext.com/training>**

The image shows a software interface for managing short codes. At the top, it reads "SHORT CODES controlled NEXT GENERATION SMS GATEWAY & TOOLS". A red "NEW" banner is in the top right corner. The interface features a central map of the United States with several states highlighted in green. To the left of the map is a list of short codes with columns for "Group", "Individual", and "Status". Below the list is a "SUBMIT MESSAGE" button. To the right of the map is a circular gauge with a red needle. At the bottom of the interface is the Sumotext logo, which consists of a stylized figure holding a phone, followed by the text "sumotext.com".
